

Dear Grain Buyer,

Your customer has expressed an interest in making a gift to Red Willow Ministries. The process is easy for you and for your customer. Simply:

1. Create an account* in the name of:
Red Willow Ministries
1651 Jacob Drive
Binford ND 58416
Phone: 701-676-2681
Email: office@redwillowbiblecamp.org
2. Transfer or deposit grain (not dollars) into the account. It is important to the farmer that grain, not dollars, be transferred into the account. If the customer has home storage, they should provide you with a notarized letter indicating the transfer of physical ownership to Red Willow Ministries.
3. Either you or the customer should then inform us of the gift by contacting Red Willow Ministries at (701) 676-2681 or office@redwillowbiblecamp.org. The donation will be placed into the general operating fund unless the farmer chooses to designate his gift to support a current project at Red Willow Ministries.
4. On our behalf, please promptly sell the grain and direct the proceeds to Red Willow Ministries at the address listed above. Those funds will be credited to the fund or area designated by the farmer. You, the grain buyer, are hereby given permission to confirm for the donor the selling price and the net proceeds from the sale of the grain.

**Please call if you require an EIN number. The same Red Willow Ministries grain account can be used for subsequent gifts of grain from this or other of your customers.*

By making this contribution of grain to the elevator account that benefits Red Willow Ministries, you warrant that the gift of grain is free of any liens, garnishments or other encumbrances.

Thank you for your help,

Becky Nelson, Chair of Fundraising Committee
Red Willow Ministries
