

***Bushels of Love for
our Campers***

*The first profession that God
gave to His new creation,
man, was farming.*

*Our farmers feed the world
with their grains, corn, beans
and livestock.*

*Our “Bushels of Love”
program helps farmers utilize
God’s blessings to help us
nourish the spiritual lives of
the children we serve at
Red Willow Ministries.*

*It is a simple process that
helps the farmer with taxes
and helps the camp provide
quality programs.*

One gives freely, yet grows all the
richer; another withholds what he
should give, and only suffers want.

Proverbs 11:24

Red Willow
Ministries

**BUSHEL
OF LOVE
PROGRAM**

Planting the
seeds of
God’s love.

Give, and it will
be given to you.
Good measure, pressed
down, shaken together,
running over, will be
put into your lap.
For with the measure
you use, it will be
measured back to you.

Luke 6:38

Every man shall give as he is able, according to the blessing of the
Lord your God that he has given you. Deuteronomy 16:17

There is a great opportunity for your farming operation to provide spiritual nourishment for the campers of Red Willow Ministries. God has blessed you with abundance and asks that you give back for the work of His kingdom.

A gift of grain, corn, beans, or any crop you choose can be given through your local elevator and you can receive some significant tax advantages.

It is a simple process. You haul in a load or two of last year's crop and state that the grain belongs to Red Willow Ministries. Your gift will then be used to continue and enhance the wonderful programming provided by Red Willow Ministries. You will receive not only tax advantages, but

a feeling of good will knowing you have made a difference.

There is much more information available at our website, or you can call us and we will mail the information and all the forms needed to you.

If you have any questions regarding where the funds will be used, we welcome your calls. You have the opportunity to designate them to a specific project that is on a list of needs or simply allow the camp to use the funds where needed most at that time. Needs at camp include camperships, updating infrastructure, maintaining the pool, and providing long term financial stability.
